

WildSmiths

Guided Wildlife Walks Covid-Aware Working Statement

Physical Distancing

- Smaller groups – a maximum of 6 customers from no more than 4 different households on each walk
- Please keep more than 2m between households at all times
- Take particular care at gates/stiles/points of interest
- We'll use a long stick to point out interesting things!

Risk of Transmission

- We may be wearing a face covering to greet you on arrival but we won't require you to unless it becomes a matter of law or official guidance in Scotland. Of course, you may wear one if you wish.
- We will offer hand sanitiser before each walk
- No sharing of optics outside households – we will share any interesting photos with you electronically after your walk
- We will request cashless payments where possible
- We are trained first aiders – we will continue to provide first-aid, taking appropriate precautions as necessary

Health Declaration

- We will ask you to confirm in advance that you have not had any Covid-19 symptoms over the past five days – we will offer a full refund if you need to cancel on health grounds

Test and Protect

- We will keep a list of names and contact details for each household present at WildSmiths events for 3 weeks
- This info will be shared with NHS Scotland's Test and Protect team if we are asked for it, but no other use will be made of it
